

School Supplies Order Form

(For the 2010-2011 School Year)

This **School Store** will provide prepackaged supply boxes for each grade. This comes complete with all required materials requested by class teachers. As a parent, you may order a box for your child OR you may purchase supplies separately on your own OR at the school store (supply lists are attached). The boxes are a wonderful place to store your child's work for the year and they easily fit under a bed. When ordered, the boxes will be waiting for your child on the first day of school next year. All items in the packages are name brands. The package prices below reflect the cost of the materials plus a percentage for the school store which uses the funds to sponsor many events during the school year.
