After School Program

at
Dutchess Day School
Fall 2009-2010
(Session 1)

Classes

Computer (grades K-5)

Monday and/or Thursday

Come explore new programs and work in your old favorites. The emphasis will be on fun! This is a great way to relax after school with your friends or boost your computer knowledge.

John Blakley

Lego Building (grades K-5)

Monday

BRICKS AND BOOKS. In this theme we explore different books, read excerpts from them, and build the fantasy worlds the book creates. The Emerald City of OZ and Clifford the Big Red Dog are just some of the possibilities.

Linda Tedesco – Brickkids

Cooking (grades 1-4)

Monday

Work with DDS' own Culinary trained chef, Laurie Wilson, to learn cooking techniques. Each week will feature new culinary delights that children can make at home.

Laurie Wilson

Yoga (grades 1-6)

Wednesday

Children ages 5-12 years will be introduced to yoga poses, breathing and relaxation techniques, yoga activities, games, partner and group poses, and more. . . The focus is on age appropriate activities that introduce yoga in a fun-filled way.

The Children's School of Yoga

Fencing I and II (grades 1-4/5-8)

Wednesday

Learn the ancient art of fencing, which has assimilated modern technology with finesse. Our qualified instructors offer this fun and healthy sport which combines technique and strategy with cardiovascular exercise. Exercise in a fun and exhilarating way! Touche!

John Petro

Digital Photography (grades 2-5)

Wednesday

Learn the art of digital photography from taking photos to retouching in Photoshop Elements. Use those photos in Publisher to make posters and prints.

John Blakley

Outdoor Fun (grades K-5)

Thursday

Are there days when your child wishes for more recess? In this class your child will get to have a full hour of supervised recess. On lovely days we'll be outside on the lower school playground. Rainy or snowy days will be spent indoors playing a variety of activities.

Gayle Fedele

Things You Should Know (grades 1-5)

Thursday

Based on the book Show Me How: 500 Things You Should Know: Instructions for Life... Each week we'll learn new fun and practical life skills from how to make an erupting volcano to how to make a snow globe.

Laurie Wilson

Classes/Studyhall are for children enrolled at Dutchess Day School Grade K through Grade 8

After School Classes

We believe that after school time should be a happy blend of instruction and play in a safe and familiar environment. This is not an extension of the school day. The program will provide an opportunity to enrich students and eliminate the inconvenience of driving children to a variety of locations for lessons. A snack will be provided for all enrolled students.

Calendar

After school at DDS will follow the DDS school calendar. This program will run concurrently with our upper school after-school athletic program. Snacks will be provided from 3:10 to 3:30 and classes will run from 3:30 to 4:30 p.m. When school is not in session or is in session for only half a day, the program will not meet.

After School Dates for Session I

Mondays – September 14 through November 23
Wednesdays – September 16 through November 18
Thursdays – September 17 through November 19

After School Studyhall

After school studyhall will be available to all students and is held in the DDS library. This time will give your child the opportunity to work on homework, get together with classmates for group projects or to just simply read a book. For those students who do not have homework or have finished with their work, there will be crayons, markers, paper and several board games available to use. A snack will be provided for all students. Although we prefer that you sign up ahead of time, it is not required. You may send a note in with your child the day you would like them to stay or in emergencies, you may call the office and leave a message. The fee will be \$12.50 per session and you can register your child for one or both classes. Attendance will be taken each day and you will be billed at the end of each month. Pickup is at the glass doors where morning drop-off occurs. If students have participated in a class we will bring them out to the cars when the class is over. Parents of students staying in study hall need to come in and sign for their children.

Registration

Registration is on a first-come, first-served basis. Payment must accompany the registration form in order to secure a place in the class (some financial aid is available). Because class size is limited, prompt registration is recommended. Please complete a separate form for each child and return it to Jean Cook with a check payable to DDS.

No refunds will be made after classes begin and there will be no discounts for absences. DDS reserves the right to cancel any class for which there is insufficient enrollment. Please direct any questions to Jean Cook at 677-5014.
